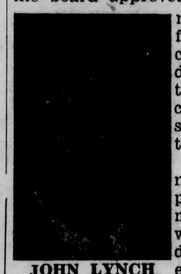
VOLUME LXXV — THE TIMES-GAZETTE, REDWOOD CITY, CALIFORNIA, FRIDAY, JUNE 27, 1941 — ESTABLISHED IN 1859

"You risked everything to save someone else," Father Flanagan (Spencer Tracy) tells Whitey Marsh (Mickey Rooney) in this dramatic scene from "Men of Boys' Town," which opens Sunday at the Redwood Theater, as a sequel to the memorable "Boys' Town." Tracy and Rooney step back into their Academy Award roles in another great story of the famous humanitarian priest's fight for homeless boys.

Lynch Quits Board; Gets $300 Post

Supervisor John A. (Jack) Lynch of Burlingame resigned at the county board meeting in Redwood City Tuesday, and the board approved his retainment as a full-time specialist to handle liquidation of the county's tax sales property.



JOHN LYNCH

The resignation, expected for more than a week, immediately aroused new interest in Lynch's possible successor, to be named by Governor Olson.

Several names have been mentioned frequently, but there is no indication whom the governor will select. The vacancy actually will be created when Lynch's resignation becomes effective June 30, but it may be some time before the governor appoints a new supervisor.

Former Mayors Edward H. McDonald and Allan F. Hunt, Dep. Coroner Daniel O'Connell, and Albert H. Randall, San Mateo Labor Council secretary, all Burlingame residents, have been prominently mentioned for the supervisorial office. In addition, several other names have been suggested in county political circles for the non-partisan post.

Lynch's resignation was accepted with regrets by the board, which authorized Chairman Fred E. Beer to enter into an agreement with Lynch whereby he will continue his work of disposing of tax deeded property as soon as his resignation takes effect.

Under terms of the agreement, which has already been drawn up by the district attorney's office, Lynch will be hired by the supervisors as a specialist, and will receive $300 a month.

In addition he will receive 5 per cent of the amount of the sales monthly to cover his expenses. The contract is for 18 months.

Half of his annual salary has already been paid out of the down payment on the Schwerin Tract sale of last month, Sullivan pointed out. In that transaction, the real estate firm which purchased the large parcel of tax delinquent lots in Visitacion Valley agreed to pay off approximately $32,000 of bonded indebtedness, in addition to paying $5 a lot.

Lynch told the board he resigned with regret, but felt he could be of greater service to the county by working on "the No. 1 problem affecting every county in California."

"If someone takes hold of this problem he can make a large amount of money for the county—provided he understands the problem," Lynch declared. "To clear title to this type of property requires close scrutiny and a great deal of detailed work. I know I am in a position to do this."

Supervisor Thomas L. Hickey expressed his own appreciation for Lynch's work, and said he had been "greatly surprised" when he found how much Lynch had been doing. He asked Sullivan if the supervisors had the authority to hire Lynch, and, if so, under what department he would operate. Sullivan said the question of the supervisors' authority had been settled in courts, and said Lynch would work directly under contract with the board in the capacity of a tax property specialist.

Chairman Beer praised Lynch for his work as a supervisor.

"It has been a pleasure to work with him. His insight and ability to look into problems and drive at correct solutions has been a big help to this board," Beer said.

Supervisor Hickey introduced the motion that the resignation be accepted, and Supervisor J. W. Poole seconded.

Because of war-time trade dislocations the United States has increased sales of watches and clocks in South Africa by about 50 per cent.

Daytime Show Planned for Follies

First daytime performance of the spectacular new Ice Follies of 1941, now playing nightly at Winterland in San Francisco, will be held Saturday July 12.

The matinee was set in response to requests.

The same stars which appear nightly will be on the program.

International skating stars featured in "the world's greatest musical revue on ice," will be on hand. They include Evelyn Chandler, Eddie Shipstad, Oscar Johnson, Roy Shipstad, Bess Ehrhardt, Bruce Mapes, Frances Claudet, Osborne Colson, Frick and Frack, the Galbraith and McKellan brothers, Papez and Zwack, the 36 dazzling "Ice Folliettes."

The San Francisco engagement is carrying on the tremendous box office records set by the glittering show throughout the East during the last Winter season.

This year's follies is a different version of the famous entertainment which thrilled three-quarters of a million persons in the Bay Area in 1939-40.

Postcards Distributed

Natural-color photographic postcards, featuring the most outstanding scenic attractions of the Far West, are now being distributed free of charge to motorists at all Union Oil service stations. Additional series will be released during the Summer months.

Bay Area's Best Bands To Be Here

With two of the bay area's best-known dance orchestras furnishing music for the three dances to be staged during the Peninsula Fourth of July Celebration in Redwood City, it will be a wonder if anyone can keep his feet still those nights.

For the Queen's Ball, to be held in Foresters Hall the night of July 3, Art Weidner's widely-known orchestra will play.

Weidner's group is the one which made such a hit last year at the outdoor dance at the July 4 celebration. His group played for the Palo Alto Elks last Saturday; plays for them at their barbecue next Sunday at Skippers Park, and will play Saturday night at Bay Meadows Clubhouse for the Bankamerica Club.

Then on the nights of July 4 and 5 at the outdoor dance platform, Dude Martin and His Roundup Gang, radio artists heard daily on KYA, will furnish music and entertainment. They will be featured also in radio broadcasts those two evenings, from 10 to 11 p.m.

Admission to the Queen's Ball is $1 a couple; to Dude Martin's dance, 55 cents a person. Profits go to the Fourth of July Celebration Committee, which will turn all proceeds of the celebration into the recreation building fund.

The first American nickel was minted in 1866. Since then more than 2 billion have been put into circulation.

Washington's population has grown from 278,718 at the turn of the century to more than 700,000.

3-Day Barber Holiday Not Effective Here

Union barber shops in Redwood City, Menlo Park and Palo Alto will not be closed Saturday, July 5, contrary to an announcement made in Palo Alto Saturday, L. Kolberg, president of Barbers Union, Local 209, said today. Decision to close that day to give the shops a three-day Independence Day holiday will affect only shops in San Mateo and Burlingame, he said. Local shops will be closed on July 4, however.

Many Courses Offered For Night School Students

Summer classes at Sequoia High School, including both "refresher and supplementary" courses in defense industries, were opened Tuesday, according to S. S. Mayo, principal of the adult evening school.

Approximately 25 employes of the National Youth Administration from this area will be enrolled for beginning and advanced typing, shorthand and office practice classes which will begin July 7. Purpose of the 12-week course, financed by state and national funds, is to train students as rapidly as possible for positions in industry. Classes will meet from 7:30 to 9:30 o'clock each evening from Monday through Thursday.

MACHINE SHOP WORK

The "refresher course" in machine shop practices, opening tomorrow, will be in session for six hours daily, Monday through Friday, beginning at 8:30 a.m., for enrolles selected from WPA rolls and unemployed workers. The course, financed by state and federal funds and taught by John E. Grass of Menlo Park, will be continued 12 weeks and repeated if there is enough demand.

Evening "supplementary" classes in sheet metal work to increase the skill of defense workers now employed, will meet for four hours each week, on Tuesday and Thursday evenings. About 20 employes of Western Pipe and Steel Co., where $75,000,000 in defense orders await completion, have enrolled for the 12-weeks course.

PAINTING CLASSES

Apprentice painting classes under direction of F. E. Wampler will continue throughout the Summer, from 8 to 11:30 a.m. on Mondays.

Have You News Of R. C. Men In the Army?

Do you have any news about Redwood City men in training camps or in any other part of the national defense program? If you have, send it to the Tribune for publication in the weekly defense feature that will be published each Thursday.

The defense page will be a clearing house of information collected by immediate relatives and friends of service men and shared with others through the Tribune. Letters from men in camp—at least the parts of the letters that are of impersonal nature—will be welcomed. And those receiving such letters are asked to co-operate in making the new feature a success.

It is hoped that the defense page will keep local friends in touch with all the men who are away and keep the men informed as to the activities of their friends assigned to the many training stations where Redwood City selectees and volunteers are located. Send or bring your notes to the Tribune today for inclusion in Thursday's issue.

Chesterfield Ads Salute Army, Navy

"Chesterfield Navy Week" and "Chesterfield Army Week" are announced for the weeks beginning July 7th and July 21st in twin advertisements of the new Chesterfield Cigarette campaign released nationally by Liggett & Myers Tobacco Company.

During these weeks the Army and Navy can call for their favorite musical numbers on Fred Waring's "Chesterfield Pleasure Time" program, broadcast every evening from Monday through Friday over National Broadcasting Company stations. Each number played will be dedicated to an individual camp.

Other advertisements of the new Chesterfield campaign spotlight many personalities, including "Miss America of 1940-41," Dorothy McGuire of the stage hit "Claudia," and Merle Oberon and Robert Allen of the movies.

Elizabeth Hawks Named 'Miss San Carlos'

SAN CARLOS—Holder today of the title "Miss San Carlos" is Elizabeth Hawks.

Miss Hawks was chosen Saturday following city hall exercises and a contest at the H-H Ranch in which eight girls participated, giving exhibitions of riding. Later judges and guests were entertained at a barbecue by the chamber of commerce at the Fred Drake residence. Winner of the contest then was presented at the Devonshire Club by Pres. Edward Drotleff, chamber president, and Ada Whetstone, dance chairman.

Mary Etta Farrell Named Tribune Woman's Editor

With this issue of the Tribune, Miss Mary Etta Farrell, recent Stanford graduate, becomes woman's editor of this newspaper.

Miss Farrell, who comes from American Falls, Ida., and has taken up residence at 100 Duane St., Redwood City, succeeds Mrs. Betty Stecker Feldheym, who has resigned. She was married several months ago to Leonard Feldheym, junior interviewer for the State Department of Employment. Mrs. Feldheym has been society editor for the past 2½ years.

MARY ETTA FARRELL
Tribune Woman's Editor

Miss Farrell completed her course at Stanford at the end of the Winter Quarter. She majored in journalism, and served during the past year as woman's editor of the Stanford Daily.

On the Tribune Miss Farrell will have charge of all social news, both from Redwood City and from adjacent communities, and will become editor of the weekly church page.

Appointment of Miss Farrell to the staff of the Tribune is the latest of several changes that have been made recently. W. H. (Bill) Homan was named city editor to succeed Francis W. (Bill) Goble, who was advanced to courthouse reporter when Ted M. Wiget was named editor of the Burlingame Advance upon resignation of Fred O. Glover to enter the U. S. Naval Reserve. Otto Tallent was appointed sports editor to succeed Robert C. Connell, who resigned to enter the U. S. service. Miss Lorraine Whittemore, proofreader-reporter, and Kenneth L. Bowen, editor, complete the regular news staff.

R. C. Woman Elected To State Mission Post

Mrs. Doris Brock of Redwood City was elected corresponding secretary of the Women's Missionary Society of the Free Methodist Church at the meeting of the California Conference in Santa Cruz. Mrs. Florence Archer, Turlock, was named president.

RAILWAY LABOR UNION DEMANDS WOULD COST 900 Million Dollars A YEAR

THE labor unions have made their demands upon the railways of the United States—and through the railways upon the PUBLIC. These demands are vastly larger in proportion than any they have ever made. The economical and efficient operation of the railways is vital to the nation's defense effort. Therefore, the Western Railways present to the public the following facts:

The labor unions representing engineers, firemen, conductors, brakemen and switchmen are demanding a 30 per cent increase in wages, amounting to 190 million dollars a year—although their present rates of pay are the highest in history.

Other unions representing a greater number of railway employees are demanding wage increases ranging as high as 95 per cent—averaging 47 per cent—and amounting to 580 million dollars a year—although their present rates of pay also are the highest in history.

Thus the wage increases being demanded by the labor unions amount to 770 million dollars a year, an average increase in excess of 41 per cent.

In addition, certain of these labor unions have demanded advances in their pay not included in the above figures, and more rules for the creation of unnecessary jobs.

The situation, then, is this: The total cost of complying with all the demands made would be approximately 900 million dollars a year!

The average weekly earnings of railway employees are now 15 per cent higher than in the peak year 1929, while the cost of living is 12 per cent less.

The demands of the railway labor unions are being made when the entire nation has just been asked to make a supreme effort for National Defense.

The railways cannot meet these demands without a great increase in the cost of transportation. They exceed by more than 700 million dollars the income that the railways had left after paying their annual expenses, taxes and charges in 1940.

The railways have a vitally important job before them. They need all their resources to continue adequately to serve you and contribute effectively toward the National Defense Program.

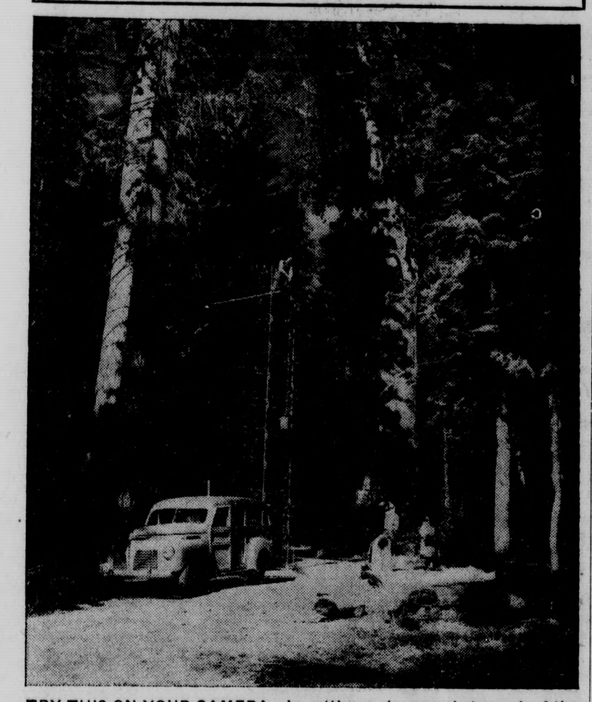
OLDER'N METHUSELAH!



TRY THIS ON YOUR CAMERA—In getting a close-up photograph of the world's oldest living thing, the General Sherman tree in Sequoia National Park, ingenious Mike Roberts, photographer of Oakland, brought along a forty-foot tower. He set it up, climbed on top and shot a full length picture of the 274-foot high Sequoia Gigantea. This extraordinary direct-color photograph is included in the Standard Oil Company of California 1941 collection of scenic views. The pictures in this collection, depicting scenes along highways of the West, are being distributed by Standard Service Men throughout the West. The distribution is being handled through ninety-one zones on a rotating schedule with the release of a new photographic print every two weeks. Under this plan a motorist may collect several different pictures in a normal day's driving and a sizable collection on longer trips.

Older 'n Methusaleh

In going out to photograph the world's hughest living thing, take along a forty-foot tower! That's just what ingenious Mike Roberts, noted scenic photographer, Oakland, did in getting a close-up shot of the General Sherman tree in Sequoia National Park.

The photograph obtained by such a method is in the Standard Oil Company of California 1941 collection of scenic views of the West now being distributed by Standard Service Men to the public.

"Getting an undistorted and all-inclusive close-up photograph of this ageless Sequoia Gigantea at first seemed an impossibility," said Roberts. "Then I conceived the idea of trucking in and setting up a sectional steel scaffolding, forty feet high.

"Even then the widest angled lenses obtainable would not take in the tremendous size. I punched a pin hole in a piece of black paper and clamped it in front of the shutter. With the sun shining fully on the tree, I got the exposure."

To obtain four prints of Hawaii for the Standard Oil collection, Roberts traveled 7000 miles by boat, plane and car, and shot 500 photographs.

The natural color photographs in the Standard Oil Company collection were assembled from 7000 negatives taken my amateur and professional photographers.

State Ready To Prosecute John Holmes

Whatever defense is offered by John M. Holmes, 35, Hillsborough socialite and former army reserve flyer, the state is prepared to present its case against him for the slaying of Wilson D. McNary, 26, of Pendleton, in San Mateo last May 3, Dist. Atty. Gilbert D. Ferrell said Tuesday.

Holmes, wearing dark glasses as evidence of the blindness he inflicted upon himself in a suicide effort after McNary's shooting, appeared before Superior Judge Maxwell McNutt in Redwood City Monday morning and entered a not guilty plea—indicating he planned to fight the charges in a jury trial.

Ferrell said he had received no intimation what defense would be offered by Holmes and his attorney, F. E. Hoffmann of San Mateo.

"As far as our plans are concerned, we will go ahead with the case and present the evidence regardless of whatever defense is set up," the district attorney said.

"The facts certainly warranted a murder charge and warranted a trial on that charge. I cannot be guided by what may be his defense—that's his part of the program."

It had been rumored that Holmes would claim he went to McNary's room at Hotel Benjamin Franklin to remonstrate with McNary for "stealing my girl," that Holmes then attempted to shoot himself and McNary was shot attempting to stop him.

Paul E. Lowe Elected State Eagles Officer

Paul E. Lowe, secretary of Redwood City Aerie 418, Fraternal Order of Eagles, is the new district deputy state president for District Three, embracing the area between San Francisco and Mountain View. He was elected at the weekend convention of the Eagles at Santa Monica.

Elected state president was Leroy J. Lounibos of Petaluma; vice president, A. A. Scott of Hollywood; chaplain, C. C. Young of Stockton. William R. Hagerty of San Francisco and George Vice of Sacramento were re-elected secretary and treasurer, respectively. Next year's convention was awarded to Sacramento.

Attending the Santa Monica meeting from Redwood City were Judge Edward I. McAuliffe, Edward N. Setterberg, John J. Owen, S. T. Ratliff, W. Clifford Clarke, C. L. White, Kenneth C. Page, James H. Johnson, Kenneth Mills, Frank Arragon, O. A. Hopping, Ole S. Oleson, J. A. Roy and Secretary Lowe.

County Relief Awaits State, Federal Funds

San Mateo County is prepared to make its July 1 old age aid payments "as soon as Federal and state funds arrive," Dr. C. C. Gans, director of health and welfare said today.

He said he did not anticipate any great delay, for the county has already attended to the matter of reviewing and adjusting cases to make them conform with the new state requirements.

Last year payments at the start of the fiscal year were held up five days. Reports were circulated that payments would be delayed about 10 days this year because of the necessity for all counties to adjust their cases to the new regulations.

Three R. C. Selectees Leave for Induction

Three selectees—two from the Redwood City Draft Board area and one from Los Angeles—entrained from the Redwood City depot for the San Francisco army induction station Wednesday morning.

Redwood City's quota for the 12th call was four men. One of the four was given deferment for a physical disability, and another man registered with the local board was inducted today in Denver, Colo. A third man, who lives here but registered in Los Angeles, was inducted locally under a Los Angeles quota.

Members of the Redwood City contingent were James A. Wood, circulation manager of the Redwood City Tribune, and Hollis W. Nunn, 557 Vista Ave., San Carlos. Ned Davey, of Eaton Ave., went as a Los Angeles resident, and in Denver, Ray Bornholdt, formerly of Redwood City, went to camp as a member of the Redwood City quota. Patrick A. Cronnin, Rt. 2, Box 27-B, Redwood City, was deferred.

Port Road Comes First

A blitzkrieg attack on unsightly premises in the vicinity of the Recreation Center and Bayshore Hwy. so that outsiders attending the Fourth of July Celebration can get as good an impression as possible of Redwood City was launched by the new clean-up campaign committee this week at its organization meeting.

Named unanimously as chairman of the group was Mervyn McArthur of Bayview Lodge, Independent Order of Odd Fellows. Elected secretary was Frank W. Thompson, Redwood City Post 105, American Legion. He was a member of previous clean-up committees.

Following a discussion of problems facing the committee as it works out plans to improve appearance of Redwood City in preparation for the celebration of its 75th birthday anniversary next year, it was decided to concentrate immediate efforts on sectors of the city near the Fourth of July Celebration site, then go to work afterwards on the remainder of the city.

At that time, the city will be divided into sections, with each organization represented on the committee asked to study his area and recommend improvements. A suggestion by Secretary Thompson that an effort be made to improve appearances of entrances will be given consideration at the next meeting, set for July 11. Thereafter the committee will meet monthly.

Immediate aid of the city council in having the road to the Port of Redwood City improved in appearance, to have the yacht harbor clubhouse cleaned up, and to seek abatement of rubbish on East Howland St. will be sought, it was decided.

To a suggestion by Mayor Harold F. Anderson that city trucks be made available immediately for the hauling away, free, of rubbish from private premises, City Manager C. L. Dimmitt reported that such a plan was not possible now because of the extra work being done by city employes on the highway widening, on the Fourth of July Celebration, and on other projects. City trucks will haul away rubbish for a nominal fee, however, and will aid the clean-up committee, but will not be able to do more at this time, Dimmitt said.

Rare June Rain Raises Total to 30.40 Inches

The first June rain in Redwood City in four years left .02 inch of rain here before 8 a.m. Tuesday to boost this year's record total to exactly 1 inch more than was received last season.

Total to date is now 30.40 inches. Last year's seasonal total, which itself was a record, was 29.40 inches.

Not since 1937, when .31 inch of rain was received in June, has rain fallen here after May 30.

Hit-Run Motorist Asks for Probation

Pleading guilty to a hit-run driving charge, Edward W. Souter, 20-year-old Coastside youth, asked for probation when he was arraigned before Superior Judge Maxwell McNutt. Souter was charged with failing to stop to render aid after his car, traveling without lights at night struck Ray Walker Thomas, San Francisco deaf mute, on the Coast Hwy. Thomas was not seriously injured.

The case was continued two weeks, when the probation officer's report will be heard.

Felix Merletti, 46, San Francisco janitor, charged with operating a still in Daly City, entered a plea of guilty in Judge A. R. Cotton's court and asked probation. Hearing of Probation Officer Francis Robinson's report was set for July 14.

THE FOOD FOR DEFENSE

A VITAL PART of making America strong is to make Americans stronger . . . with the food they need. Vitally aware of this are the thousands of trained and experienced people who are engaged in the nation's great food industry—the farmers, who produce the food; the manufacturers, who process it; and the grocerymen, who distribute it—proudly working in the best way they know to supply the energy necessary to do the big job.

Defense Aid

Local Aluminum Drive To Be Held July 14-19

Redwood City's campaign to gather scrap aluminum for aid of the U. S. Government in constructing airplanes and other defense materiel will be held July 14-19.

This was decided by the Exchange Club's aluminum drive committee last night as the local organization mapped its campaign to tie in with the national movement called for by New York Mayor F. H. La Guardia, director of the Office of Civilian Defense.

During that week, householders will be asked to bring old pots, pans, washing machine parts, and other useless aluminum articles to the Towne Motor Co. on Middlefield Rd. or telephone that firm or Joseph Dingman, drive chairman, for the items to be called for.

Collection of the aluminum from donors will take place on Saturday, July 19.

The articles then will be ready for the collection by co-operating waste material dealers on Monday, July 21.

Seven Are Initiated By Order of Moose

Seven candidates were initiated by the Loyal Order of the Moose, Chapter 1112, at the regular meeting Wednesday in honor of the recent Mooseheart graduating exercises.

The initiates were W. H. MacKenzie, John Methven, Wayne Tackleton, David Achziger, Joseph Bernard, Ben Eshbach and O. W. Neikirk.

Youth Orchestra To Give S.F. Concert

SAN FRANCISCO — Critical comment from cities in which Leopold Stokowski and the All-American Youth Orchestra have appeared on their transcontinental tour which brings them to San Francisco for a concert in Civic Auditorium tonight night at 8:30, consistently has borne out the claim that the orchestra of 100 young musicians is comparable on every point with the finest of the country's symphonic bodies.

Coupled with the musicianly praise is much mention of the acoustical reflector Stokowski has developed for use in large auditoriums. It is said to enrich greatly the tone of the orchestra, sharpen the definition of the music, and at the same time increase its diffusion of the music and blending.

Robert Clarkson Wins First Stripe

Robert Clarkson, son of Mr. and Mrs. George W. Clarkson Sr., 421 Harison Ave., who is stationed at the headquarters battery at Camp McQuaide, was displaying his first stripe Sunday, when he visited here. Bob, who entered the army Jan. 27, was promoted to private first class last week.

DRAMA SEASON OPENS

STANFORD UNIVERSITY — Dramatists' Alliance of Stanford University opens its summer program Saturday with a production of John Home's tragedy, "Douglas," to be presented in the Educational Auditorium on the campus at 8:15 p.m. Admission at the door is 40 cents. Authentic kilts and Highland Pipers will embellish the performance.

Airport Housing Plan Is Topic of Meeting

BURLINGAME — Problems in housing which will face employes of United Air Lines when they start to move to San Mateo County in August and September will be the subject of a talk by J. W. Eberly, asst. personnel director of the company, at a meeting of the Burlingame Chamber of Commerce Friday noon.

Local Army Notes To Be News Feature

In an effort to print more news of "our boys" at camp, the Tribune will devote a page each week in the future to stories of Redwood City district young men now in Uncle Sam's armed forces—that is, the Tribune will do this if its readers so desire.

The reason that last remark is made is that it is difficult to secure news of the boys away from home unless it is given to the paper by friends and relatives of the youths. No system of securing regular news reports of "what is doing" with "our boys" has been devised because of the fact they are so widely scattered—from as far distant as Fort Knox or Pensacola, to places as close as Watsonville or San Francisco. Some of the headquarters send out releases regarding men in their camp, but these come infrequently.

So—if the Tribune's readers will help, this paper will attempt to publish at least a page of news a week about boys in camp. What is needed is for parents, relatives and friends of boys in camp to submit news of them to the Tribune. Letters from the youths will be very acceptable—to be used in whole or in part, as the lender desires. Pictures also would be welcomed, providing they are of a type and size that would make them usable for newspaper reproduction.

Will readers help us maintain this Defense News Page? Doing so will be interesting for both the Tribune and for its readers, we are sure.

Letters direct from men in camp to the Tribune, such as some that have been published from time to time in "Notes & Quotes," also would be welcomed.

July 4 Celebration

Entire Peninsula Joining Fete; Many Parade Units Are Entered

From a small, home-town type of celebration to a Peninsula-wide 72-hour affair with more than 20 separate events—

That is how the Peninsula Fourth of July Celebration has grown in three years, Chairman Ole S. Oleson pointed out today as he announced that virtually every part of the Peninsula was participating in the event to be staged in Redwood City over the Independence Day weekend.

Redwood City is gaily decorated for the occasion. "Dress-Up Days" start Saturday.

Besides parade entries received from most communities, Oleson said that San Mateo is sending a contestant, Annalouise Freise, to the queen contest to be held in Foresters Hall July 3 at 9 p.m.; Burlingame is awarding a trophy and sending a queen contestant, Liane Dozier; San Carlos is awarding a trophy and sending a contestant; Daly City is awarding a trophy; South San Francisco is awarding a trophy and plans yet to select a queen contestant; Palo Alto is sending a queen contestant, Lois Anderson, and Redwood City is awarding a trophy and sending a queen contestant, who will be selected at a contest July 2.

Already listed in the parade, to be held at 11 a.m. July 4, are the following entrants, according to information given Floyd D. Granger, parade chairman:

Drum corps — Italian-Catholic Federation; Utopia Parlor, Native Sons of the Golden West; Genevieve Parlor, Native Daughters of the Golden West; Mt. Tamalpais Parlor, NSGW; Mt. Carmel Parochial School.

Drill teams — Golden Gate Parlor, NDGW; Bonita Parlor, NDGW; Ano Nuevo Parlor, NDGW; Half Moon Bay Women (UPPEC organization); Marinita Parlor, NDGW.

Marching units — American Legion Auxiliary; Military Order of Cooties; Redwood Parlor 68, NSGW.

Mounted units—Marjorie Wiley; Rancho El Camino; Santa Clara County Horsemen's Association; H-H Ranch; Silverthorne Shetland Stables; San Carlos Chamber of Commerce; White Horse Stock Farms; Pebble Beach Parlor, NSGW.

Floats—Veterans of Foreign Wars Auxiliary, Redwood City; Redwood City Eagles; Redwood City Lions Club; Redwood City Commuters Club (two units).

Fire units—Redwood City Fire Department; Menlo Park Fire Department.

Miscellaneous — Redwood City Municipal Band; Piedmont Parlor, NDGW, entry; Ramblers Club novelty unit; Women's Relief Corps, pony train and vehicles; 26th District, American Legion, rifle team.

A number of other organizations have announced they would participate, but have not notified Granger. They should do so this week.

Recently added to the events to be seen at the celebration are a kiddies' amateur show, for children under 12, and entertainment by Jo-Jo the Clown.

Other features include rodeos July 4 and 5 at 2 p.m.; a horse show at 2 p.m. Sunday, July 6, at the rodeo arena; dances each night; fireworks display July 4; model airplane meet; miniature auto races; patriotic exercises; numerous athletic and sport events for children; boat races; posie and bike parade.

News of The YMCA

(A Community Chest Agency)

Peninsula Branch, Young Men's Christian Association, announced today that T. M. Elliott had been secured to lead the chapel services at the YMCA camp in Jones Gulch during the Peninsula period of June 29 to July 13.

Mr. Elliott was for more than 20 years secretary of the Chinese YMCA in Hongkong and the important port city of Amoy. His close personal contact and friendship with many of China's leaders makes him an interesting speaker. This gives him an unusual background for the interpretation of recent history and present day events in the Orient.

Along with his work Mr. Elliott served as a member of the Municipal Council of the International Settlement of Kulangsu in Amoy, and for a year and a half was chairman of the council, or mayor of the settlement of 30,000 people.

Since returning to America Mr. Elliott has lectured and spoken before many groups. At present he is scretary of the International Committee of the YMCA for the United Sttaes and Canada.

His experience makes him one of the most capable leaders for chapel services secured by any camp in the country.

State Pension Restrictions Save San Mateo County $30,000 Yearly

Restrictions on extra income for recipients of old age assistance, adopted by the state legislature to make the state program to conform with federal regulations, will result in an average reduction of about $2.50 monthly for each pensioner in San Mateo County, Dr. C. C. Gans, health and welfare director, estimates.

The enforced reductions will mean the county will pay out approximately $25,000 or $30,000 less in old age aid than had been anticipated for the coming fiscal year, Dr. Gans said.

Because of the increasing old age pension burden in the county, the county department had anticipated an increase of about $82,000 during the next budget period. The legislature's action in trimming income allowances will reduce this to perhaps $55,000.

Formerly, aged aid recipients were permitted to have incomes of $15 over the normal aid allowance of $40. Any extra income is now deductible from the $40 allowance. Also, where no rent deduction was formerly made for those who were living in their own homes, the state now will make a deduction equal to the amount the person would have to pay for rented quarters —less taxes and upkeep costs.

Although the new laws do away with the exempt income provisions entirely, they permit recipients to retain excess income if they prove their actual need to the county.

The new laws were passed by the legislature on the last day of the session and were signed by Governor Olson on June 18. They assure California of the continuance of over $38,000,000 a year in federal funds. The federal government puts up $2 for every $2 put up jointly by the state and counties.

The extra income restrictions also apply to blind aid recipients, but a separate blind aid program has been set up by the state to continue liberal care for blind persons who have definite working plans for rehabilitating themselves. Dr. Gans said there are only about a dozen blind cases in the county.

Man's Death Follows Mother's By a Week

EAST PALO ALTO—Less than a week after the death of his mother, Mrs. Annie B. Gibson, Leslie W. Gibson of 1104 Garden St., East Palo Alto, died yesterday in a San Mateo hospital. He was 63 years of age, a native of California.

Eugenie Rowe Is Entrant In Contest

Another entrant in the contest for Miss Redwood City, who will vie with other Peninsula girls for the honor of ruling over the Fourth of July Celebration here, was announced this week.

The latest entrant—the third—is Miss Eugenie Marian Rowe, 16-year-old Sequoia High School student, the daughter of Mr. and Mrs. James H. Rowe of Woodside Rd. She is sponsored by the Redwood City Junior Chamber of Commerce.

With other organizations' candidates, she will appear at the Sequoia Theater Wednesday night, July 2, to compete for the title of Miss Redwood City. Judging will be on poise, personality and appearance.

Winner of that contest will compete the next night at the Queen's Ball in Foresters Hall against entries from other cities.

Others in the Redwood City race are Kay McGuinness, sponsored by the 20-30 Service Club, and Darlene Kissinger, entrant of the Exchange Club.

Several other organizations are seeking candidates to sponsor. Included are the Kiwanis and Lions Clubs and Eagles lodge. All that is necessary for an organization to sponsor a candidate is to underwrite sale of five $1 tickets to the Queen's Ball. The tickets may be secured from City Councilman William M. Werder, chairman of the queen contest committee, at his office at West Bay Motors Inc., 1113 Main St.

MERCHANTS URGED TO DECORATE STORES

Another appeal to local merchants to decorate their stores—either with banners purchased last year or with new flags now available—was made recently by H. C. Mitchell, decorations chairman for the Fourth of July Celebration Committee. Young men are available through Mitchell to put up the banners. Charge is 50 cents. Several sets of banners already purchased by the celebration committee are available, at $8 a set, and should be ordered soon so that the committee won't lose the cost of their purchase, Mitchell said.

Boys Form Derby Racing Club Here

Thirty Redwood City youngsters who have entered the Soap Box Derby that will be run off here on July 20 have formed a Derby Club which will meet twice weekly to discuss plans for the racing event.

George Andrews of Davies Auto Co., sponsors of the derby, was instrumental in forming the club and said efforts would be made to keep it in operation during the entire year.

Fred Nicolai has been named president of the group. Allen Bygdness is vice president, and Grant Staples is secretary.

A wind velocity of 231 miles an hour was reported in 1934 atop Mount Washington, New Hampshire.
